

Dear _____,

Enclosed please find a copy of the respondent's brief filed by the Attorney General on behalf of the prosecution, as well as a copy of the reply brief that I am filing on your behalf which responds to the arguments made by the Attorney General.

This concludes the briefing phase of the case. The court will now study the briefs and process the case in its normal manner. It generally takes several months before the case is either set for oral argument or submitted for decision based on the briefs.

I will keep you informed of any developments in your case. The next major step will be the court's decision, which will be in the form of a written opinion. In the mean time, please let me know if you have any question about the briefs or the court's procedures. Also, please remember to let me know right away if your address changes during this long period of waiting.

Sincerely,
