MOTION FOR CONSOLIDATION OF APPEALS

Appellant, John Smith, moves for consolidation of his two appeals currently pending in this court: F000001 and F000002.

The grounds for the request are that appellant was sentenced simultaneously on X County cases No. XXX (F000001) and XXX (F000002). Timely notices of appeal were filed in each case, raising the same issue, [STATE RELATED ISSUE, e.g., denial of credits under Penal Code section 4019 for time spent in confinement at the California Rehabilitation Center]. Further, the records in these cases relevant to the

issue on appeal are identical, as this issue was raised during the joint sentencing hearing. Because the issue and the relevant record in each are the same, it would be more efficient for the court and the parties if these two actions were consolidated.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on [DATE] at _____, California.

Respectfully submitted,
